

REPLACE YOUR WORN OUT AND DAMAGED END PANELS!

Perfectemp Refrigeration can manufacture Case End Panels to fit your needs!

We know how important it is to keep refrigerated cases for supermarkets and grocery stores looking clean and attractive. Daily customer traffic and employee mis-haps can tarnish the appearance of the exteriors of your food display units.

**MANUFACTURED END
PANELS STARTING AT**

\$350.00 each!

Our cost effective end panels are rust resistant and built to last.

Choose your own colors! We'll paint the exterior and interior to meet your specifications.

Our qualified and experienced installation technicians can install your new Refrigerated case End Panels on-site quickly and efficiently to ensure you experience the least down time possible.
